## MARTIN RANCH – GUEST RULES – HOG HUNTERS

### Camp Regulations

1. **No smoking indoors in any structures at any time. No exceptions.**
2. Please park vehicles outside of camp fence behind bunkhouse. Keep gates closed and sheep inside camp.
3. Permission must be given to build a fire anywhere on the ranch.
4. Telephone calls must be made using an 800-number, credit calling card, or by calling collect.

### Game Regulations

1. Any animal killed on the ranch should be brought to the attention of management. Failure to do so will result in loss of hunting privileges.
3. Guests are responsible for **cleaning and processing animals** after the kill. Personnel may be on hand to perform these services for a **nominal fee**. Payment is required in cash to the guide at the time service is rendered. Do not clean animals within 100 yards of stands or feeders.
5. Guests must possess on their person a valid hunting license, driver's license, and hunter education documentation while hunting.

### Stand regulations

1. **No smoking in stands. No exceptions.**
2. Guests should thoroughly clean stands upon departure regardless of condition upon arrival. All trash should be removed and taken back to camp.
3. All windows and doors should be closed and secured upon departure from stands.
4. Under no circumstance should guests attempt to service feeders or tamper with clocks. If a feeder is not working properly, report the problem to management upon returning to camp.
5. Do not approach feeders unless you need to retrieve game. Leaving your scent near feeders will deter game from approaching the feeders and result in seeing fewer animals near your hunting stations.

### Standard Regulations

1. **You may not take alcoholic beverages with you to the blind or consume alcohol prior to departing for your hunt. You will be allowed to drink in the evening immediately after each day's hunt ends. Martin Ranch reserves the right to refuse hunting rights if you appear under the influence.**
2. All hunts are 2.5 day hunts. Your hunt begins at noon on the first day and ends at dusk on the third day. Special exemptions may be made in advance to accommodate your travel schedule.
3. Guns must be unloaded while in camp and in transit. Only at the hunting area should weapon be loaded.
4. Unless paid in advance, your hunt balance is due upon arrival at Martin Ranch in form of cash, cashier's check, money order, or credit card. ***Personal/Business checks not accepted at ranch for balance payments!***

### Package Hunt/Trophy Fees

1. **You are allowed Four Feral Hogs and unlimited varmints & predators with your package.**
2. **Any game not included in your hunt will be charged at the current price schedule.**
3. Rabbits are protected. **DO NOT SHOOT OR KILL RABBITS!**

I have read and understand that I will be held to the rules and regulations in this document. I understand I may forfeit my hunt and be dismissed from the ranch should I violate any of the rules contained in this document.
